Fiscal Research Center

Mission:

Promote the development

- of sound public policy and public understanding
- of issues of concern to state and local governments in Georgia

Goals:

- Be the program that state and local government, businesses, and community leaders look to for research and advice on Georgia fiscal issues.
- Become nationally known for the high quality and breadth of research.

Fiscal Research Center

What We Do:

- **Conduct Research**

Agency Data Project

Erdal Tekin

We have three data sharing agreements.

➤ **Georgia Department of Labor:**

- **ES202 Employer files:** Employer-level data on payroll and employment. Quarterly data from 1977 to the present quarter are maintained. Firm address information is available from Q4 1994 only.
- **Wage Files:** This data set contains individual-level data on employees.

➤ **Department of Human Resources:**

- **AFDC and TANF Files:** Client and case level data of recipients of AFDC/TANF cash assistance. Monthly data from March 1998 to the present are maintained. Benefit case records go back to February.
- **Food Stamp File:** Client and case level data of recipients of food stamps. Working on getting more historic data.
- **Foster Care:** Have Memorandum of Agreement to get foster care records: two years of data.
