### WORKS IN PROGRESS

Ross, Glenwood, and Paul Kagundu, "*Does Question Sequencing Matter on Multiple Choice Exams?*" This paper investigates whether or not the order of questions on multiple choice exams in introductory economics courses have an influence on test scores. The *Institutional Review Board (IRB)* has approved this study. We are currently analyzing the data and will soon begin writing.

Ross, Glenwood, and Paul Kagundu, “*The Impact of Study Habits on Performance in Introductory Economic Courses.*” This paper will examine the influence of study styles (i.e. self study, group study or combination study) and study frequency and length on course outcomes. *IRB* approval is pending.

Ross, Glenwood, and Paul Kagundu, *Introduction to the Global Economy*. This is a textbook for the Global Economy Course. The publisher of the text is Kendall Hunt. Publication date is Fall 2013.
