

BSW Placement Timeline

Welcome to Practicum Education! You should have received approval for placement from the MSW program director by the end of October . The rest of the process will take place within the Tevera platform. Follow the steps below to receive your placement agency!

Attend Practicum Education Information Session

Register for Tevera

You will receive an email invitation to register and pay for Tevera.

Complete Practicum Education Application in Tevera by February 1st.

Select one of the Three Pathways to Practicum Placement

Students have the following options for securing a field placement agency:

- Assigned GSU Partner Agency
- Employment Based Placement
- Student Proposed Community Partner

Receive Agency Approval

After approval student must contact the Agency to set up a interview and complete the tracking form within Tevera.

Register for Practicum Seminar

BSW students will register for SW4500 in the fall and will continue with the same professor in the Spring SW4900 course.

Purchase Liability Insurance

You will receive a link to purchase liability insurance between July 15th and August 1st.

Congratulations !

You are now ready to begin your practicum placement experience! Keep an eye out for important communications from the office of Practicum Education.
